DISABLED SWIMMERS

Coaches must notify the Meet Manager at the beginning of the meet of any swimmers with disabilities. Disabled swimmers must attempt to swim the proper stroke.

RELAYS

Relay submissions in the meet entry file are greatly appreciated but relay entries must also be provided on BCSSA relay entry forms at the meet. All BCSSA rules will apply. Saturday relays will be regular Medley relays.

Sunday relays will be Mixed Free Style relays, with a minimum of 1 male and 1 female on each team. On Sunday, given the spirit of the CRSK Meet mixed Free-style relays for DIV 5 and up, these relays will be *exhibition relays only*. Safety is paramount, there is a 4 min max length, and there will not be ribbons.

ELIMINATOR RACES

The Eliminator race is a fun competition that tests swimmers speed and durability in each of the strokes. For Division 1-3 swimmers and OCAT1 swimmers, the top 6 qualifiers in the 100m IM for both boys and girls will qualify for the Eliminator. For Division 4 and up swimmers, and OCAT2 swimmers, the top 6 qualifiers in the 200 IM will qualify for the Eliminator. Once the pool of 6 swimmers is determined, the racing begins. First, the #1 seed swimmer gets to pick the first stroke out of a randomized hat. This is the first race. If butterfly is chosen, for example, the swimmers will swim a 50m Butterfly. The last swimmer to touch the wall will be eliminated. This process is repeated at 2-minute intervals with the winner of each race drawing the next stroke, until there is just one swimmer remaining. We will be alternating girls and boys races.

TIMERS

Each club will be responsible for supplying timers and place judges. Lane assignments will be posted at the pool. This meet cannot run without the help of the many volunteers. All Timers must be a minimum of 14 years of age. The CRSK asks volunteers to bring their coffee mugs/water bottles and thanks volunteers in advance for your help in reducing waste at this meet!

MARSHALLING

Marshalling will take place for Divisions 1-3. Divisions 4-8 will be responsible for signing in at the Marshalling Tent and reporting behind the appropriate block in time for their race. There will be full marshalling for all divisions for relays. ** Announcements made over the speaker system are courtesy calls only**

Meet results will be emailed to each participating club.

There are numerous tents, bleachers, and chairs set up around the pool, these are for timing, coaches, judges and some are for spectators. We remind all spectators that the area around the pool is limited, so if you do not have a swimmer swimming, we ask that you do not take up bleacher space around the pool.

No glass bottles or containers on the pool deck. Note that City of Campbell River By-law prohibits dogs in Centennial Park.

The change rooms will be open to SWIMMERS and VOLUNTEERS only. There is a bathroom on the park side of the Centennial pool building and portable washrooms outside for spectators.

AIR BAND COMPETITION – 60th anniversary of CRSK!

The annual air band contest will be held at Centennial Park at 7:00 pm. In conjunction with our 60th anniversary (CRSK formed in 1962!) this year's theme is the 1960's. We look forward to your favourite 60s tunes! It is preferred that each club enters only 1 performance, however if a large number of swimmers are attending the meet, up to 2 entries will be allowed (one Junior and one Senior, as in past years).

All Air Band song entries must be approved by the Salmon Kings Executive. **Email your song selection (song name & MP3) and club name for approval to crskregistrar@gmail.com by noon July 2nd.** You will be emailed by with approval (or denial) by midnight on July 2nd. **Bring your song on a labelled data stick and submit it at the meet by Sat July 9th 11:00 am to the Clerk of the Course.**

This is a family event! Songs will be denied if they are not age appropriate or contain explicit or suggestive words

and should be no longer than 4 min duration. No mashups. To ensure variety, songs will also be denied if another club has already chosen that song – no duplicates! First come first approved – get your song choices in quickly! You should have a secondary song choice (which you can email at the same time), just in case!

Entry forms & data stick for Air Band must be handed to the Clerk of the Course by 11:00 am on Saturday. To help us off-set the cost of renting equipment, there is a \$25 fee per entry (deliver payment to the Clerk of the Course).
